Subject: Prayer for Permission to Appear in Special Mid Examinations

Sir,

With due respect, I would like to state that I am **Md. Musfique Anam Ananto**, a student of the Department of Computer Science & Engineering, Pundra University of Science & Technology.

I would like to inform you that I was unable to attend two of my scheduled Mid-Term Examinations due to my participation in the **Bangladesh Innovation Fair 2026** as a member of the university team. The event was held in **Dhaka from 12–14 September 2026**. As I was in Dhaka representing the university during this period, I was unable to be present at the university to attend one of the examinations. Furthermore, due to the long-distance travel and a delay in returning to Bogura, I was also unable to attend the other examination.

The examinations I missed are:

- **CSE 4123 (Simulation and Modeling)**
- **CSE 4205 (Digital Image Processing)**

Therefore, I humbly request you to kindly grant me permission to appear in the **Special Mid Examinations** for the mentioned courses.

I would be highly grateful for your kind consideration and cooperation.

Yours sincerely,

Md. Musfique Anam Ananto
